EASTMAN SCHOOL OF MUSIC • UNIVERSITY OF ROCHESTER

“I have never grown so much as a musician in such little time, the opportunity to study around fantastic peers and incredible teachers was golden.”

– 2022 Eastman Experience: Summer Classical Studies participant

A photograph of a modern concert hall with warm wood paneling on the walls and balconies. The seating is tiered, with light-colored chairs in the foreground and purple chairs on the balconies. A large, glowing, spherical light fixture hangs from the ceiling. Three stage lights are mounted on a stand against the wall. The text is overlaid in a yellow, italicized font.

“I’ve learned a lot about how to approach this work as well as how to think about my approach to music making in general. I know that my conducting will improve considerably once I practice / internalize what I learned.”
